“Service with Pride” Spouses,

Welcome to Lawton/Fort Sill and the 434<sup>th</sup> Field Artillery Brigade. My wife, Kelly, and I look forward to working with you and your Drill Sergeant as we execute the very important mission of conducting Basic Combat Training.

Your Drill Sergeant has been selected as one of the best in their respective fields and now serves in a critical assignment for our Army. The United States Army has confidence they will train our nations Sons and Daughters for the protection of our country in a time when combat for our newest Warriors is all but certain.

Your Drill Sergeant’s mission is to transform civilians into tomorrow’s Soldiers. They are responsible for the health, welfare, training, and physical conditioning of their respective Soldiers. Additionally, they plan, execute, assess, and supervise the performance of the Soldiers in their charge in both classroom and field environments.

This is not a simple mission for you or your Drill Sergeant. It is a mentally and physically challenging assignment, but has proven to be very rewarding. The pride and sense of accomplishment in turning a “new” recruit into a combat-ready Soldier is truly remarkable, and you can share in that accomplishment by providing unending support for your Drill Sergeant.

In the days to come, I encourage you to participate in your unit’s Family Readiness Group activities, the cycle break activities, and the popular Drill Sergeant Trailbreak family off-site.

I would like to thank you ahead of time for supporting your Drill Sergeant who gives so much as member of the 434<sup>th</sup> FA Brigade. Thank you for your faithfulness and support while our nation calls for more combat ready Soldiers.

May God Bless you and you families and our great Nation.

RICHARD F. BOWYER  
COL, FA  
Commanding
